Dear Colleagues,

---

IBDnet TALKS offers a continuous educational program for fellows in gastroenterology and hepatology-oriented departments or for experienced clinicians who want to refresh their knowledge.

Based on the positive resonance, IBDnet TALKS will be continued in its 9<sup>th</sup> edition with three modules throughout 2025. It is our great pleasure to invite you to this training curriculum.

You have the possibility to register for each module individually, enabling you to receive the respective certificate of attendance as well as SGG core credit points.

We are looking forward to an interesting curriculum of IBDnet TALKS!

Yours faithfully,

PD Dr. med. Pascal Juillerat  
Intesto – Centre Fribourgeois  
de Gastroentérologie

Prof. Dr. med. Stephan Vavricka  
Zentrum für Gastroenterologie  
und Hepatologie Zürich

**SGG core credits: 1 per module**

We cordially thank the sponsors for their generous support.
